

**Livestock on hand record as at 30/06/20....**

This year, in order to assist farmers when collecting information for their ITR, we have prepared a livestock account checklist, which is set out below.

The best time to fill out this form is as soon as possible after 30 June.

Please complete and return this form with your tax information. If you want to, you can email or drop this form into our office once completed.
